Mr. K. Scott Spence  
LLOG Exploration Offshore, L.L.C.  
842 West Sam Houston Parkway North, Suite 600  
Houston, Texas 77024

Dear Mr. Spence:

By letter dated April 29, 2019, LLOG Exploration Offshore, L.L.C. (LLOG) requests approval of the Keathley Canyon (KC) Block 686 Unit. A request for a Suspension of Operations (SOO) was received by letter dated July 10, 2019. Three original executed copies of the Unit Agreement, two original executed copies of the Unit Operating Agreement, an initial plan of operation, technical data, and related materials were received by submittal dated July 24, 2019. The proposed unit area consists of portions of KC Blocks 642 (S/2), 643 (SW/4), 687 (W/2), and all of KC Block 686, Leases OCS-G 33335, 33336, 33918 and 33341, respectively.

We agree that the area is logically subject to unitization and the formation of this unit will promote and expedite exploration and development of the natural resources of the Outer Continental Shelf, in accordance with 30 CFR 250.1301. The executed Unit Agreement is hereby approved effective July 1, 2019, and has been assigned Unit Agreement No. 754319005. Also, the initial plan of operation is approved from July 1, 2019, through June 30, 2020. Subsequent plans of operation shall be submitted in the manner prescribed in Article IX of the Unit Agreement.

Drilling operations were expected to commence on or before July 31, 2019, on Lease OCS-G 33341, Well No. 3. The contracted rig has been delayed at its current drilling location due to drilling operation delays. Unit drilling operations are now expected to commence prior to the end of August 2019, after current operations are completed and rig mobilization to KC Block 686. In accordance with Articles IX, XVI and XVII of the Unit Agreement and 30 CFR 250.175(a), an SOO for the KC Block 686 Unit is hereby approved from August 1 through August 31, 2019. This unit suspension excludes Lease OCS-G 33918, since the primary term extends beyond the expiration of this SOO. LLOG must notify this office in writing upon the commencement of drilling operations on Lease OCS-G 33341.

Enclosed herewith is an approved copy of the Unit Agreement with our Certification-Determination bearing the Unit Agreement number and the Unit Operating Agreement. If you have any questions, contact Mr. Brant Cole at (504) 736-2635 or at [Brant.Cole@bsee.gov](mailto:Brant.Cole@bsee.gov).

Sincerely,
